Subject: Section 104(e) Information Request regarding Behr Dayton Thermal Products VOC Site

Dear Mr. Rafati,

We recently spoke with Maria Gonzalez regarding the CERCLA Section 104(e) Request for Information that was received by Clean Water Environmental, LLC. As explained in the attached letter, we understand that the Information Request seeks information and documents related to 416 Leo Street. As discussed with Ms. Gonzalez, we are submitting this letter as we believe that Perma-Fix Environmental Services, Inc. is the appropriate entity to respond to this request. We have provided contact information for Perma-Fix in the attached letter and have copied Mr. Scott Ellis of Perma-Fix to this email. A hard-copy of the attached letter has been placed in the mail.

Thanks,

Chris Kim Kahn
